To Whom It May Concern,

Greetings from this beautiful island of Chiloé. It's my desire to share with you a bit about the Discipleship Training School (DTS) so that you may have a complete and thorough understanding. The DTS is a theoretical/practical school which is given in an atmosphere of intense class study, group study, and one to one counseling. With each student we embark in biblical and character formation which is done through everyday practical chores, devotionals, personal study, and intercession. We work with evangelism and are a constant support among the local churches. The school itself is a duration of 24 weeks with a main focus in pioneering among the interior islands of Chiloé through both training and mercy ministries.

The next (bilingual) DTS begins: September 15th 2007.

Cost: \$1,000 dollars (US).

Inscription Cost: \$25.00 dollars (US).

The necessary requirements are:

- 1 A personal relationship with the Lord Jesus Christ and a valid testimony (your testimony/reputation) from your local church.*
- 2 A personal recommendation from your Pastor (no one is accepted without this).*
- 3 The necessary finances to cover the cost of the school. (60% of the cost upon arrival and 40% before initiating the mission's outreach) The cost of the DTS **does not** cover inscription cost, book costs, personal costs, travel, or mission's outreaches.*

Blessings,

Rosio Lopez Atarama

DTS Director
